

CAMP MEDS

All camp med's packaging will be coordinated with Walgreens 13451

- Walgreens 13451 is not your typical corner Walgreens drug store.
- Walgreens 13451 is the "Health Pharmacy Division" of Walgreens.
- Walgreens 13451 is a small unit in the lobby of a 5 story Medical Complex.

Process for "campers" medication fulfillment

1. Family agrees to utilize Walgreens 13451 (Palm Beach Gardens, FL)
2. Family speaks with their physician, obtains the Hard Copy Rx and mails to Walgreens 13451, or has the prescriber electronically transmit the order directly to Walgreens 13451.
3. Family contacts Walgreens and provides all demographic, insurance, and credit card info.
4. This can be done at your local Walgreens, over the phone, or the pharmacy email rxm.13451@store.walgreens.com
5. Orders are received and fulfilled.
6. The staff at Walgreens 13451 will reach out to the family prior to shipping any medication.
7. With family consent Medication(s) is/are shipped.

NOTES:

- There is a \$15.00 charge per "camper" for the shipping.
- Bubble packaging is done in 30 day quantity's.
- Should a "camper" be attending a longer session, a second \$15.00 will be charged.
- Walgreens uses FEDEX. Each "camper" will be shipped independently to allow better tracking.
- All payments (insurance copay(s) and S&H charge) are done via Credit Card.

Food

Snacks

Fresh fruit is available all morning in our dining hall, and a mid-afternoon snack is served also– and includes everything from fruit pops to ice cream. Before bed we also serve dessert and on 2 special nights a week, campers will enjoy taking a special trip to the canteen.

A Peanut & Tree Nut Free Camp

Our goal is to create the most welcoming, inclusive overnight camp community possible, and that includes during meals, snacks, or any other time that we eat food together.

- Our counselors know that inclusion is the key, so that everyone feels safe and valued.
- Since 2011 we have proudly been a **peanut and tree nut free camp**, and this extends to every aspect of our program.
- This includes our baked goods, ice cream, and the candy that we serve at canteen. Our chefs even make homemade Chinese food, hummus and pesto without sesame oil or pine nuts, so that every meal or snack that we serve is safe for our peanut and tree nut free friends.
- “Our commitment to excellence in camping doesn’t stop at Food Service. We consider food at Camp Shalom to be a program in itself and an incredibly important one at that. Meals and snacks give us the opportunity to not only nourish our bodies, but “nourish our souls”!
-
- Meal times provide opportunities for the camp to come together as one, to bond and experience traditions, new and old. At Camp Shalom all campers and staff, regardless of food allergies/intolerances, can indulge in a slice of delicious challah on Shabbat without worry. We stock allergen-friendly viable alternatives to many of our main food items, snacks and tradition-based foods.

- Summer 2017 will mark Camp Shalom's first summer partnering with Pamela Ofstein, MS, RD, LDN. Pamela will be working hand-in-hand with Camp Leadership, our Health Center Director and Food Service Coordinator to ensure that meals and snacks are not only delicious, but well-balanced and nutritious. Prior to the start of each summer our "Camper Care Crew" (Camp Nurse, one of our Camp Moms & Pamela Ofstein) are available to connect with parents to address any food allergy/intolerance related concerns.

Dietary Needs

Camp Shalom accommodates a variety of dietary needs and/or restrictions; however, please note that our Kitchen is **not certified Kosher** nor it is certified free of gluten, peanuts, tree nuts, seeds.

- **KOSHER STYLE...WHAT'S THAT!?** Since 1971 Camp Shalom's level of Kashrut has fluctuated.
- Currently, Camp Shalom is "**Kosher Style**", which seems to be the appropriate level for us at this time. We do not serve dairy and meat at the same time.
- **There's absolutely no pork or shellfish at the facility** (or any similar food item) and when we do serve beef or poultry, we always have a kosher version available for those who need.
- The kitchen does have separate dishes and utensils; however, we aren't too vigilant about their use (i.e. dairy lunch won't get closed down if the meat forks are mistakenly put out). All dishes and utensils are washed in burning hot water... Most importantly, we want every camper to feel comfortable and welcome...should a camper require a higher level of Kashrut, as long as the camp is informed in advance, we are happy to accommodate most needs.

VEGETARIANS

- If your child is truly a vegetarian, please inform the camp prior to his/her arrival. This will help us to make sure there are always enough veggie items available for those who truly need substitutions.
- Beginning with breakfast, no meats products are served, as one might infer from the above information.

- At lunch & dinner, a full Salad Bar is offered, complete with assorted lettuces, chopped veggies, legumes, hard-boiled eggs, tuna salad (regular & plain) as well as a Fresh Fruit Bar.
- Also available at both lunch and dinner is a delicious peanut-butter substitute, jellies and honey.
- Most lunches are dairy meals, but for those that aren't, there's always an substitute item available for vegetarians.
- For dinner, in addition to the above mentioned items, we always have plain spaghetti pasta and marinara sauce.
- If the meal contains a meat item we typically provide a vegetarian substitute comparable to the item.

TRUE CELIACS AND/OR THOSE WHO REQUIRE GLUTEN FREE DUE TO DIAGNOSED MEDICAL REASONS

- We are happy to work with you to ensure that your child has an incredible camp experience while also remaining well-fed and healthy. We are prepared to accommodate the needs of those who cannot consume gluten...to a certain extent; however, we cannot guarantee a Gluten Free kitchen, as that would be impossible for us.

No Food Policy

Please note, Camp Shalom is completely Nut/seed Free. We have campers enrolled in both sessions with life threatening food allergies. Please help us keep everyone safe by refraining from sending your child with any such products. DO NOT pack any food in your child's

camp luggage or send any packages with food. This includes, but is not limited to; chewing gum, sunflower seeds, hard candy, etc.

- Please don't worry about your child being hungry. We have enough options for even the pickiest of eaters. Remind your child to speak up if he/she is truly hungry. If your child needs extra calories or has serious dietary requirements, please contact the camp office to discuss various options...again do not hide food in your child's luggage!
- **ALL FOOD** will be **PROHIBITED**. There are no exceptions to this rule. We do not allow food anywhere on camp except for the Dining Hall or outside under staff supervision. Anyone who breaks this rule will automatically put other campers at risk. Camp can only control that which we are aware of. Not to mention, food in the cabins = bug infestations. We appreciate your strict compliance with this.

RESOURCES

Imagine this scenario... It's been 5 days since you dropped off Susie at camp. You get a letter from her saying, "I hate it here! There are bugs! I didn't get the top bunk like I wanted! It's rained everyday and I miss you! All I want to do is give you a big hug! I have so much more fun at home. PLEASE COME GET ME!!!!!! PLEASE!!!!!"

What should you do?!

First of all, take a deep breath and realize that it's perfectly natural for campers (and staff members!) to experience some degree of homesickness during their stay at camp. Most letters are written during rest hour or before bed, which are times the campers tend to feel the most homesick. While there can be moments when homesickness arises, these are rarely evidence of a true dislike of camp. Typically, these feelings are infrequent throughout the day, and will go away after a day or two. Usually by the time you receive these letters, she will most likely be just fine.

If you do receive a homesick letter, please take a moment to write a very positive and encouraging response. Let your camper know that you are confident in his/her ability to cope with the new adventure and you are proud of him/her. Validate the feelings. Share a story of a time that you felt the same way! Ask about camp, activities, counselor and friends. And, remember not to say how much you miss him/her or cannot wait for him/her to come home.

The following are links to some resources that you might find helpful. As always, you are free to call us at camp to check in and see how things are going.

Packing List

Please do not bring more clothing than suggested. We do not have room in our cabins for excess clothing!

Packing

List: Boys And Girls

How do I get my child's luggage to camp?

Luggage can be brought on the bus, driven to camp and/or shipped in advance (use 168 Camp Shalom Trail address with UPS & Fed-Ex).

What kind of luggage (and how many bags) should my camper have?

Each camper can have a maximum of 2 army size large duffle bags or soft suitcases, 1 small duffle bag, 1 fold-up "camping chair", 1 carry-on bag, 1 sleeping bag and 1 pillow. Campers are allowed 1 set of "plastic drawers". **PLEASE, refrain from sending Wheeled Luggage and Hard-Sided Trunks- we apologize for any inconvenience this may cause, but we can longer allow trunks, as they take up too much space in the cabin and can hurt fingers!**

Bedding must be concealed in a regular duffle bag.

Please do not bring additional garbage or laundry bags filled with bedding on the bus.

Once on Camp, how will the luggage be transported to my child's cabin?

Luggage is brought to cabins on Golf Carts by Camp Staff, so there is no need for wheeled luggage, as it's difficult to store.

For Campers Riding the Bus

Plastic drawers are not allowed on the bus (they can be shipped to camp)!

Labeling

EVERYTHING brought to camp must be individually labeled with the camper's **FIRST & LAST NAME- NO INITIALS**. From luggage, socks, shoes and undergarments, to bedding, toiletries, towels, water bottles and everything in between... literally all items must be individually labeled. As a general rule, labels should be applied according to their directions, as proper application helps to ensure the labels withstand the camp environment (use of commercial washers/dryers, sweat, sunscreen and so on). In our experience "Peel & Stick" style labels get the job done efficiently and effectively.

We encourage everyone to take advantage of the 25% discount offered by Label Daddy, exclusively to Camp Shalom families and staff. To access Label Daddy's discount, [CLICK HERE!](#) *Don't forget to pack a good amount of extra labels, to be used as-needed throughout the summer!*

Laundry Clothing Tips

The Camp Packing List is very in-depth and should be used as a guide while packing for camp. Each camper will need approx. 2 full weeks of clothing (extra socks and undergarments), regardless of his/her session length. Our Laundry Staff do their absolute best to care for each camper's clothing, but please understand that from time to time, mishaps do occur.

Each cabin's laundry will be done once per week. Typically, garments are laundered and returned within 24 hours.

PLEASE, DO NOT pack expensive, dry clean only and/or clothing with embellishments...nothing of monetary and/or sentimental value.

Laundry is done in commercial grade washers and dryers (dryers are used on high heat setting). Should you send a Dry-Clean Only

garment, please label the item accordingly– place a special sticker on the garment and pack a large Ziploc bag (also labeled accordingly).

After the item has been worn, instruct your child to place the garment in the Ziploc Bag and to put the Ziploc Bag inside of their luggage.

Opening & Closing Days

Opening Days are an exciting and busy time on-Camp!

Car Arrivals: For Driving Directions to camp, [click here!](#)

1. Upon arrival to Camp Shalom Trail, position vehicles in a straight line and to the right side of the road, (do not block the camp entrance).
2. Staff Orientation remains in-session until 2 PM.
3. Please do not attempt to enter the campgrounds prior to 2 PM. [The main gates will open at 2 PM sharp.](#)

CHECK-IN

- As space becomes available, each vehicle is waved through the gate and greeted by a Camp Shalom Staff Member.
- Once greeted, each vehicle is guided to the "Check-In" Area (marked by cones).
- To avoid over-crowding the "Check-In" area, 5 vehicles (approx.) are let in at a time (followed by a brief hold).
- At check-in, vehicles are met by Camp Staff, who assist with unloading & delivering luggage to campers' cabins.
- Families are led over to the Office Porch to "check-in" with Camp Leadership and receive name tags.
- From there, counselors greet their campers' families and take them through the rest of the Arrival Process which includes taking campers to the Health Center for "Vitals Check" before they head over to the cabins.
- [All Check-In Steps must be completed prior to entering the cabin area. Veering from the steps will ultimately prolong the entire process for everyone!](#)

Transportation by Bus, please click
(Traveling to Camp).

OPENING DAY TIPS!

- On each Opening Day, the first “Camper Meal” served is Dinner! Please make sure that your child eats Breakfast & Lunch prior to arriving on Camp. If necessary, bring snacks (**peanut-free only!**).
- Stay Hydrated– Water is available on Camp, but families are encouraged to bring water with them as well.
- Restrooms– there are no restrooms on Camp Shalom Trail!
- Various restaurants and rest-stops are located near main highways– approx. 30 minutes away.
- Near Camp, there are 2-4 facilities with restrooms, the closest facility is Kangaroo Gas Station (approx. 1/2 mile).
- Cellular Service is very limited. Most signals start to dissipate approx. 30 miles out of the Camp (in all directions).

Notes

Although we attempt to do everything in our power to avoid mishaps, every now and then a mistake does occur

While on camp, if you believe a mistake has been made regarding your child’s cabin placement: remain calm, reassure your child “all will be taken care of” and ask to speak with a “Camp Mom”. Quickly and quietly inform the Camp Mom and she will “radio” an Assistant Director.

Legitimate errors will be rectified immediately. Please note, this does not apply to Bed/Bunk Requests!

Questions/concerns regarding the location of a camper’s bed (during Opening Day)

Every attempt has been made to accommodate the many requests & needs of all campers. Still, every now and then, a camper arrives on camp and has concerns about the location of his/her bed. Should this occur, we ask all parents to abide by the following protocol (also outlined on the Bed/Bunk-Mate Request Form): reassure your child, move forward with the drop-off process (help your child get settled in the space provided) and after you depart from Camp Shalom, send an e-mail to, office@campshalom.net with a brief message, informing Camp Staff of your child's concerns. E-mails will be reviewed & acknowledged that night and concerns will be addressed accordingly, within 24 hours. For situations of this kind, this is the best way to expedite a resolution. There are many campers on camp and following this process enables Camp Staff to deal with any and all situations efficiently and effectively.

CLOSING DAYS!

Closing Days of each session are much more laid back. The overall process of picking up your child(ren) from camp is also much quicker.

- **The Entrance Gate on Camp Shalom Trail will be opened at 10:30am.**
- Before loading up your child's luggage (staff will be available to assist for those who need it) please double check his/her bags to confirm that they belong to your child (*many bags look similar*).
- Additionally, if your child came to camp with any medicine and/or medical equipment, we encourage you to stop by the Health Center before heading home.

Unplugged

Although we do not completely forbid electronics at camp, we must limit and monitor the use of these devices so that each child gets the most out of his/her experience.

Use is limited to:

- Promote socialization amongst campers
 - Reduce the stress associated with the damage to and loss of electronics
 - Give campers a much needed break from the world of technology
 - Allow campers to fully embrace the connections they make with other campers
 - Limit the risk of campers being exposed to inappropriate material
- We ask that campers leave all expensive electronics at home. Such devices have a way of getting lost or broken at camp. Camp Shalom cannot take responsibility for the loss or damage of any electronic device, nor does our insurance policy cover replacement.

Music is a big part of camp! If your child enjoys listening to music, he/she is welcome to bring a portable music player– a CD player, an iPod Shuffle or any other comparable inexpensive MP3 player (nothing with the ability to play video and/or connect to the internet, cell service or Wi-Fi).

We recognize that many campers use iPhones for photos; however, while at camp, campers must use disposable cameras or inexpensive digital cameras. Additionally, cell phones, iPods (or any similar device), iPads (or any similar device), netbook, laptop, etc...all must remain at home.

Cell Phones

Being at camp is an opportunity for your child to experience a world beyond home, and a chance for you and your child to practice “**letting go**”. This allows children to develop autonomy, independence and a stronger sense of self. It encourages them to make new friends, take responsibility for themselves and their bunkmates, problem solve and mature a bit.

Although cell phones have been strictly prohibited at camp for many years, some families choose to ignore this policy. Invariably, this leads to conflicts within the cabin and allows campers to focus on their friends at home rather than their friends at camp. Cell phones enable campers to contact parents for advice instead of turning to their peers or counselors, and they prevent campers from problem solving. Every now and then campers will fight or have a bad moment, the ability to send a text or call immediately in the heat of the moment can severely impact a child's overall experience. This can lead to immediate homesickness while also turning a small challenge into a major one. In summation, cell phone use at camp is counter to the values we teach and uphold at Camp Shalom and interferes with an important peer aspect of the overnight camp experience.

When parents allow their children to break rules (take a cell phone to camp), they are teaching that rules don't apply to them. Respect our policy and discuss it with your camper. In the past, campers have hidden their cell phones in their bags without parents' knowledge. Please make sure you take your child's cell phone before he/she leaves for camp. All cell phones brought to camp will be collected upon arrival and returned at the end of the session.

Laptops required for school work and/or bar & bat mitzvah study

Laptops required for school work and/or Bar/Bat Mitzvah study are permitted, but must be stored with the Camp Office. If your child fits into one or both of these categories, please notify the Camp by emailing office@campshalom.net. Each camper must have his/her own device and charger. Both should be packed safely within an appropriate bag/case. All of which should be clearly labeled with Full Name

ANOTHER NOTE ABOUT CONNECTABLE DEVICES:

SPECIFIC TO APPLE DEVICES – IPOD SHUFFLE is the ONLY Apple Device authorized for use at camp.

Regular Mail

- Send mail to: 168 Camp Shalom Trail, Orange Springs, FL 32182
- On the envelope or post card, please reference the name of your child's cabin (color).
- USPS Mail is picked up from the local post office, Monday - Friday. Due to the Camp's location, mail can be slow; however, it's very important campers receive mail while at camp. *Please make an effort to send regular letters to your child! Many parents pre-write letters before the session begins so they can mail them out early. Campers, just like parents, look forward to receiving letters & postcards. This summer*

campers are required to write home a minimum of once per week.

One Way E-Mail

Campers are allowed to receive 2 emails per week. All emails must be sent through your CampInTouch account.

Care Packages

- Campers are allowed to receive a max. of 2 packages per week.
- We encourage you to use Fed-Ex and/or UPS when sending packages.
- Make sure that all contents are clearly labeled with child's full name.
- Upon delivery, packages are sorted, recorded and opened by staff members.
- Any item not allowed on camp on camp will be confiscated/disposed of and unfortunately, senders won't be notified.
- Please share this information with anyone who might send your child a package!
- We appreciate your help with this, as we hate throwing out gifts!
- *Camp is not responsible for any items initially brought to camp and/or sent during camp.*
- **DO NOT SEND FOOD OF ANY KIND TO CAMPERS!**

TRANSPORTATION TO CAMP

Instructions for those traveling by bus

- **PLEASE BE PROMPT!** Departure times are approximate... We suggest that you clear your schedule for a few hours surrounding your camper's Camp Transportation Schedule. It's better to wait than to be late! Campers must be accompanied by an adult and the adult should remain with their campers until the bus departs.
- All luggage must be clearly labeled with (at the minimum) the camper's full first and last name. Camp Staff will be stationed at each location to assist with luggage and the boarding process. Campers will be accompanied by at least 1 staff member throughout each trip.
- Families using the Boca Raton "Bus Stop"- upon arrival, please unload your child's luggage at the designated location, park and proceed to "Check-In" with CAMP STAFF. After that, visit with fellow Shalom'ers and say your "good-byes" while the campers wait to board the bus.
- Families using the West Palm Beach "Bus Stop"- please park and wait at the Northbound entrance of the Turnpike Plaza.
- Please make sure that your child has a bagged lunch with water & some extra snacks. Do not over-pack and keep in mind that we are a **peanut/nut free camp**, as many campers have known/unknown allergies.
- We recognize that many campers will have cellular devices with them on the bus as well as other electronics. **Please note that all cellular devices will be collected immediately upon arrival.**
